

**GOVERNMENT OF ANDHRA PRADESH
ABSTRACT**

I&CAD Deptt., - Guidelines for consideration of Renovation, Revival and upgradation of L.I.Schemes – Issued.

IRRIGATION & CAD (MIG 1) DEPARTMENT

G.O.Ms.No. 162

Dated: 28-11-2011

ORDER:

It is observed by the Government that several proposals are being received from Andhra Pradesh State Irrigation Development Corporation Ltd for Renovation, Revival and Up gradation of Lift Irrigation Schemes under various heads of expenditure such as 4702-MH 101-GH.11; SH(15)-SH(17) Need based repairs, SH(18) Restoration of Flood damaged; LIS,- 530/531. It is desirable to follow certain minimum guidelines to ensure appropriateness of investments.

2. Definitions:

- a. Renovation of Lift irrigation scheme (RNL) is defined as a proposal for major repairs, substantial replacement or up gradation of one or more component(s) of a functioning LI scheme which has realized the designed ayacut after commissioning.
- b. Revival of Lift irrigation scheme (RVL) is defined as a proposal for major repairs, substantial replacement or up gradation of one or more component(s) of a defunct LI scheme.
- c. Up Gradation of lift irrigation scheme (UGL) is defined as a proposal to expand or upgrade one or more component(s) of a LI scheme, to rectify under designed components, upgrade ayacut or provide for unanticipated structural changes like reduced hours of power availability which applies to functioning scheme.
- d. Flood Damage Restoration (FDR) is defined as repair and restoration of a LI Scheme affected by natural calamity such as floods & cyclones.

3. Government after careful examination of the above matter, in consultation with Vice Chairman & Managing Director, Andhra Pradesh State Irrigation Development Corporation Ltd and after detailed deliberations and analysis of the past data on repairs carried out to L.I.Schemes, hereby issue the following criteria for taking up renovation, revival and up gradation of L.I.Schemes.

- a. The schemes should have completed a minimum period of 7 years after commissioning.

Contd.....2.

::2::

- b. The L.I. Schemes should be continuously in operation and must have served part of the ayacut in one season every year.
 - c. In case, a scheme is defunct for more than 2 consecutive years, then cost benefit of abandonment should be examined and compared with cost benefit of revival.
 - d. The cost of the renovation, revival, up-gradation should not exceed 50% of the cost norms for a new scheme.
4. The proposals shall indicate the specific head of Account to which the expenditure is to be debited, along with appropriate check slip.
5. The above criteria shall not be applicable for damages due to floods and other natural calamities. Proposals for flood damage repairs shall be examined in the light of specific circumstances of the respective natural calamity.
6. This order shall be applicable to all the proposals submitted from the date of issue of the orders including pending proposals.
7. The Vice Chairman & Managing Director, Andhra Pradesh State Irrigation Development Corporation Ltd, Hyderabad is requested to take further necessary action accordingly.
- 8.. This order issues with the concurrence of Fin.(Expr.PW)Deptt vide their U.O. No.29791/936/A1/Expr.PW/11,Dated;15-11-2011.
